Name: _____   Block: _____

Fractured Fairy Tale

You are going to create your own fractured fairy tale. You must select a fairy tale that you know of already and re-tell the story from the perspective of a different character.

Before you begin, complete the information below!

Original fairy tale: _____

Perspective told from: _____

Point of View: _____

Name of Characters in story: _____

_____

Main Conflict: _____

Setting: _____

Theme: _____

Before you think about what changes you will make, a Fairy Tale must have 6 or more of these characteristics. Circle 6 characteristics that you will keep the same:

1. Begins with Once Upon a Time; Once long ago; Long, long ago; etc.

2. Story setting is usually in a castle, forest, or town

3. Story has good / nice characters

4. Story has mean / bad characters

5. Many of the characters are animals or members of royalty

6. Story has magic

7. Story has the numbers 3 or 7 in it

8. Story has a problem

9. Problem in the story is solved

10. Good wins / outsmarts bad

11. Ending is "happily ever after"

NEW STORY IDEAS:

Perspective told from: _____

Point of View: _____

Name of Characters in story: _____

_____

Main Conflict: _____

Setting: _____

Theme: _____

Now, on a separate piece of paper, begin writing! You must bring in a *draft* of your story to next class! Feel free to change as many elements as you want, but it must still be a fairy tale in the end.
