ROMAN EMPIRE WEB QUEST

This task requires you to have brought your technology with you. If you have forgotten, you will need to partner with a classmate in order to complete this web quest!

First, circle the time-keeping notation that we use today for our year system.

BC and AD or **BCE and CE**

Why is there a difference? What remains the same?

Go to <http://www.history.com/topics/ancient-history/ancient-rome>

Watch the video. What are some major reasons why Rome fell?

Go to http://www.metmuseum.org/toah/hd/roem/hd_roem.htm#slideshow3

Look through the slide show (click on 'see works of art') of museum artifacts. Describe the artifact that you find the most interesting, including when it was made and what it was made out of. How valuable do you think it was?

Go to <http://dare.ht.lu.se/>

Find Rome (Roma) on this interactive map. When is the 'start date' and 'end date'?

Find Inchtuthil (modern name). What modern-day country is it located in?
